Food allergen & intolerances

We freshly prepare all our food in our kitchen & have assessed all the allergens in the food & drink we serve. However because of the nature of how we prepare our food and drink, the many ingredients we use and the shared equipment we cannot fully guarantee our food and drink are allergy free. Please inform us of any allergies or special dietary requirements when ordering. Full allergen information is available on request

Colour me curious

Did you know....

The Humber is supposedly home to it's very own sea monster? There have been many tales over the years of a sea serpent with the head of an ostrich and glowing eyes! Supposedly the monster is over 7ft long! We wonder if the Vikings saw it when they docked here many years ago!
